## **LADIES' NATIONAL OPEN**

3rd December 2000, St Paul's School, Barnes

Denise Hall Wilton reports: Claire Knowles returned to the Ladies' Rugby Fives Championships an even stronger player than she was last year. The field was smaller than expected, so pools and round robins were employed to maximise the playing time for everyone. Competitors had, after all, come from Manchester, Nottingham, Devon and Geneva!

The doubles matches were perhaps the most enjoyable. Paula Smith and Denise Hall Wilton had the closest match against Nicky Hardie and Emma Seton, but Claire, who was most ably supported by Melanie Whitehead, lost only one point in four games.

All games were fought valiantly and in friendly competition, but Claire was in a class of her own. She was a pleasure to watch -from off court at least! -and her graceful style and magnificent striking of the ball seemed effortless. Can we have some more ladies from the YM in Manchester, please?

My thanks to Martin Whitehead for presenting the trophies, and to St Paul's for allowing us to use their fine courts.

## **NATIONAL OPEN SINGLES (JESTERS' CUP)**

2nd/3rd December 2000

(St Paul's School, Barnes)

Yorkshire-man Neil Roberts won his second National Singles title in the Jesters' Cup final at St Paul's School, defeating the holder Hamish Buchanan in a two-game final. Both men approached the game in

similar fashion, hitting hard and low into the back corners of the court, and on the day it was Roberts who found a more telling length, keeping his opponent on the back foot and eventually forcing him into error.

## BRITISH UNIVERSITIES CHAMPIONSHIPS

November 2000, Sherborne School

### Oxford triumph in BUSA Championships

Oxford predictably dominated this year's BUSA Rugby Fives Championships at Sherborne. James Toop, Oxford's captain for both fives codes -Rugby and Eton -won all his games by a wide margin to take his first Rugby Fives title. Toop and his partner Marcus Bate were pushed hard in some of their doubles matches, but they eventually came through to win the final in straight games against Oxford's second pair, Ed Brooke and Ben Brookes.
