

“The Owers Trophy”, RFA Old Boys’ and Girls’ Tournament

Held on **Saturday 29th September 2018**, at St Paul’s School, London, starting at **9 am**.

TOURNAMENT FORMAT

*Great fun for all ages
& abilities!*

- Teams enter a **squad of 3** players.
- The Team’s 3 players will need to have **attended the same school**, before the age of 19. Each team can be a **combination of genders** and can include current schoolboys/girls with the relevant permission.
- The members of the squad may **change between** matches, but **not** during a match, and not if they have already played for another team, unless agreed by the organiser and opposition.
- Each match consists of **one game of doubles** against each possible pairing – ie 1&2 v 1&2, 1&3 v 1&3, and 2&3 v 2&3. Each match therefore consists of 3 games, with the overall result of each match decided on **points**; if equal, then on games won. Decision at the organiser’s discretion.
- Each team must rank their players from 1 to 3, based initially on the current RFA SINGLES RANKINGS. If the player has no singles ranking, they will be ranked by the organiser in liaison with the team captain.
- Each team is placed in a group and will initially play matches against the other teams in their group. After the groups games, winning teams will play knock-out finals/semi-finals (depending on time and numbers), and other teams will compete for the plate.
- Games are to 11 or 15, depending on the size of the groups. Usually 11. **DOUBLES ONLY**.
- More than one team from the same school may enter.
